### **Mission Statement**

**Our mission is to provide a conscientious, scientific educational training program, based on proven techniques and sound business principles to prepare our graduates for gainful employment in the profession as a Cosmetologist, an Esthetician, a Manicurist, or as a Master Instructor.**

## **Objectives**

Our school is a student-oriented environment with the goal of making our graduates a credit to the profession of Cosmetology, Esthetician, Manicurist, or as a Master Instructor. At our school, you will acquire an advanced education in the many-faceted field of Cosmetology, Esthetician, Manicurist, or as a Master Instructor following the Pivot Point curriculum as interpreted by our dedicated instructors and practiced in the Student Salon. These are our objectives and they apply to each course we teach. We are dedicated to maintaining honest, ethical, and fair relationships with staff, students, customers, state boards and other schools. We use professionally approved teaching techniques and training aids and purchase high quality equipment, supplies, and professional products for student use.

A unique part of our curriculum that you'll want to know about is **PIVOT POINT**. When you get your training at a Pivot Point Legacy School you'll be getting the benefit of proven training techniques which have been developed and tested for over 50 years. Through scientifically-based techniques you will learn the skills and knowledge you will need to help you succeed in the fast-paced world of Cosmetology, Esthetics, Manicuring, or as a Master Instructor. In order to constantly upgrade the quality of the training that students receive, our staff participates in educational seminars, conferences, and annual meetings.

## **History of the Company**

The school has been in operation since February of 1969 and was purchased by the current owners in April of 1983 with eleven students enrolled at the time. The original location was on Main Street in Broken Arrow. That facility was space restricted and was quickly became too small for future growth. In 1985 we became the first Pivot Point School in Oklahoma. In July of 1988 the school was moved to the 400 South Elm Place location. In 2003 the demand for enrollment was very high and the facilities were again space restricted. This was when the idea for the second location became a reality. The Tulsa location was purchased in January 2004, remodeled, and opened in May of 2004. Additional growth in enrollment led to the need for more space at the Broken Arrow facility. This initiated an expansion and remodel of the Broken Arrow facility completed in December 2010. Both locations continued to have high enrollments for many years but then the number of enrolling students dropped on a national level which affected us as well. In early 2019 we made the tough decision to consolidate the two campuses back together into the Tulsa campus location. The school continues to be family owned and operated which now includes the second generation of family members.

## **Veterans Benefits Requirements**

Students receiving Veterans education benefits must meet satisfactory academic progress (SAP) and attendance requirements, a minimum of 85% of their scheduled course, in accordance with the school's SAP and Attendance policies in order to remain eligible to be certified for VA education benefits. VA students on academic probation are considered to be maintaining satisfactory progress and will continue to be certified for education benefits with the U.S. Department of Veterans Affairs (VA), however, the VA will be notified if probation occurs. If students fail to meet academic requirements while on probation, their enrollment certification will be terminated which may result in VA requiring students to repay a portion or all benefits received. Once benefits are terminated due to SAP or attendance, students are ineligible to be certified for VA education benefits until SAP is once again met or if the student successfully appeals the determination with the school.

VA education benefits will be terminated while a VA student is on a school approved Leave of Absence. See the schools' Leave of Absence Policy for further details and allowances.

Per Title 38 CFR 21.4253, 21.4254, and 41.4263, VA law requires that every new student interested in utilizing VA Education benefits provide all prior transfer courses, credits and previous experience for evaluation and review as appropriate to the enrolled course. This includes all post-secondary and military transcripts. All transcripts must be provided to the school and any prior credit has been evaluated before VA education benefits will be certified by the school. The school will evaluate these records and, when possible, grant appropriate credit for the previous education and/or training, shorten the length of the training program, and notify the student regarding the amount of credit being granted for previous training.

Per Title 38, CFR 21.4267, Independent Study, students utilizing VA educational benefits at non-college degree (NCD) institutions may not use benefits for online training or non-traditional self-paced or flex programs and will not be certified by the school.

Additional contracts may not be eligible for Title IV Financial Aid.

## **Refund Policy**

For applicants who cancel enrollment or students who withdraw from enrollment a fair and equitable settlement will apply. The following policy will apply to all terminations for any reason, by either party, including student decision, course or program cancellation, or school closure.

Any monies due the applicant or students shall be refunded within 45 days of official cancellation or withdrawal. Official cancellation or withdrawal shall occur on the earlier of the dates that:

1. An applicant is not accepted by the school. The applicant shall be entitled to a refund of all monies paid.
2. A student (or in the case of a student under legal age, his/her parent or guardian) cancels his/her enrollment in writing within three business days of signing the enrollment agreement. In this case all monies collected by the school shall be refunded, regardless of whether or not the student has actually started classes.
3. A student cancels his/her enrollment after three business days of signing the contract but prior to starting classes. In these cases he/she shall be entitled to a refund of all monies paid to the school less the application fee in the amount of \$75.
4. A student notifies the institution of his/her withdrawal in writing.
5. A student on an approved leave of absence notifies the school that he/she will not be returning. The date of withdrawal shall be the earlier of the date of expiration of the leave of absence or the date the student notifies the institution that the student will not be returning.
6. A student is expelled by the school. (Unofficial withdrawals will be determined by the institution by monitoring attendance at least every 14 days.)
7. In type 2, 3, 4 or 5, official cancellations or withdrawals, the cancellation date will be determined by the postmark on the written notification, or the date said notification is delivered to the school administrator or owner in person.
8. For students who enroll and begin classes but withdraw prior to course completion (after three business days of signing the contract), the following schedule of tuition earned by the school applies. All refunds are based on scheduled hours:

<b>PERCENT OF SCHEDULED TIME ENROLLED TO TOTAL COURSE/PROGRAM</b>	<b>TOTAL TUITION SCHOOL SHALL RECEIVE/RETAIN</b>
0.01% to 09.9%	15%
10% to 19.9%	25%
20% to 29.9%	35%
30% to 39.9%	45%
40% to 49.9%	55%
50% to 59.9%	65%
60% and over	100%

9. All refunds will be calculated based on the students last date of attendance. Any monies due a student who withdraws shall be refunded within 45 days of a determination that a student has withdrawn, whether officially or unofficially. In the case of disabling illness or injury, death in the student's immediate family or other documented mitigating circumstances, a reasonable and fair refund settlement will be made. If permanently closed or no longer offering instruction after a student has enrolled, the school will provide a pro rata refund of tuition to the student OR provide course completion through a pre-arranged teach out agreement with another institution. If the course is cancelled subsequent to a student's enrollment, the school will either provide a full refund of all monies paid or completion of the course at a later time.
10. Students who withdraw or terminate prior to course completion are charged a cancellation or administrative fee of \$100.00. This refund policy applies to tuition and fees charged in the enrollment agreement. Other miscellaneous charges the student may have incurred at the institution (EG: extra kit materials, books, products, unreturned school property, etc.) will be calculated separately at the time of withdrawal. All fees are identified in the catalog and in the enrollment contract.
11. If a Title IV financial aid recipient withdraws prior to course completion, a calculation for return of Title IV funds will be completed and any applicable returns by the school shall be paid, as applicable, first to unsubsidized Federal Direct Student Loan Program; second to subsidized Federal Direct Student Loan Program; third to the Federal Pell Grant Program; fourth to other Federal, State, private or institutional student financial assistance programs; and last to the student. After all applicable returns to Title IV aid have been made, this refund policy will apply to determine the amount earned by the school and owed by the student. If the student has received personal payments of Title IV aid, he/she may be required to refund the aid to the applicable program.
12. As this School's attendance and refund policies are in compliance with the requirements of our Accrediting Agency and the Department of Education, the standard shall be the same for Veterans.
